Topper's mantra for success

Topper Aditya Singh of Noida said he focused on important subjects and regular studies were the key to his success. On whether he would take admission in AKTU or wait for the JEE advance results, the 19-year-old hesitantly said, "I will wait for the JEE advance result as the IITs offer better education. If I don't get in, I will consider going to AKTU."

Coming from a family of engineers, Singh had a passion for science. A student of Lotus Valley International School, Aditya gave his parents and teachers the credits for good tips and motivation.

"I had a lot of support," he said, thanking his parents for the stress-free environment at home. As a tip, he said that students should try to relax and indulge in other activities as well. Singh himself, played guitar, piano and enjoyed outdoor games.

Nandini is a resident of Gorakhpur. Her father is a businessman and mother a homemaker. "I kept on revising my notes, kept the basics on my fingertips and solved past years' papers," Said Nandini, who also scored 93.20% in Class 12 exams.

Nandini owes her success to her teachers, "They always believed in me and gave me the confidence that I could do well." Nandini is now anxiously waiting for the results of JEE-Advanced, and will then decide on her college. "This result has surely given me the confidence that I will get a decent rank in IIT too." An avid reader, she also enjoys playing badminton in her free time. "It helped me relax
